Notice to Consultants
On-Call Multiple Airport Layout Plans

Washington State Department of Transportation (WSDOT) solicits interest from consultants interested in submitting a Statement of Qualifications (SOQ) for On-Call service to prepare airport layout plans for multiple airports utilizing state and federal standards. The Project is anticipated to be funded in part by the Federal Aviation Administration (FAA) Airport Improvement Program and Washington State Department of Transportation (WSDOT) Aviation. The On-Call services are expected to be initiated over the next 5-years. The work may be accomplished over the course of several Federal AIP projects. Consultant fees may be limited to the services by individual grants. Some of the services may not be required and the sponsor reserves the right to initiate additional procurement action for any of the services included in the initial procurement or advertised listed projects. Consultant services will be done in accordance with State Law and AC150/5100-14C "Architectural, Engineering, and Planning Consultant Services for Airport Grant Projects."
